

Music Tuition

In order for lessons to run smoothly, with less disruption as possible, please can you notify Mrs Pearce at your earliest convenience so lessons can be planned around you.

- **Appointments** - Hospital, Dentist & Orthodontist appointments are made in advance, so please inform Mrs Pearce at least 2 weeks prior to your appointment date.
- **Exam/tests** - As soon as you/your child is aware of an exam/test in a particular lesson inform Mrs Pearce.
- **Sporting activities** - If there is a possibility you may be selected, please inform Mrs Pearce straight away. **DO NOT** leave it until you are told - it may be too late then!
- **School Trips** - As soon as you return your reply slip let Mrs Pearce know when the dates are. I don't always get informed about trips.
- **Any other potential clashes** (i.e. Religious Holidays) - Please inform Mrs Pearce as soon as you know the date and time.

Thank you for your co-operation in this matter.
